HIDDEN IN PLAIN SIGHT: THE BASQUES ELLIS ISLAND EXHIBIT IMMIGRANT RECOGNITION FUND

The Basque Museum & Cultural Center is creating an exhibit to be on display at Ellis Island in New York City from February 7, 2010 to May 9, 2010, entitled "Hidden in Plain Sight: The Basques." This exhibit provides an amazing opportunity to educate and promote Basque history and culture on a national and international level.

We recognize that Basques in the U.S. would not be what they are today without the hard work and contributions of their ancestors. The Basque Museum is offering a unique opportunity for Basques throughout the U.S. to be a part of this significant exhibit and to honor their Basque immigrant ancestors.

An undertaking of this importance requires funding sources. For a contribution of \$100 you will help make this exhibit possible and your ancestor's name will be included in a display that will be part of the overall Ellis Island exhibit in New York, and will also be included when the exhibit travels to Boise, ID and beyond.

This is a one-of-a-kind opportunity to acknowledge the struggles, hardships and uncertainties our ancestors endured in immigrating to the United States from the Basque Country.

If you would like your immigrant ancestor's name to be a part of the exhibit, please complete the form below and return it to: The Basque Museum & Cultural Center, 611 Grove St., Boise, Idaho, 83702. **We must receive this form and your payment no later than December 1, 2009.**

If you have and would like to donate any information (originals or copies) such as immigration documents, photos, journals, letters, etc. relating to your Basque immigrant relatives, they will greatly help the Basque Museum to preserve the Basque immigrant story for future generations.

Eskerrik asko,

Basque Museum & Cultural Center Board of Directors & Staff
