The Guipuzkoa based Musicians EGAN has its roots in the 1970s and became one of the core groups of the 1980s and 1990s. As their music went from town to town with It's Herriko Bestak themes, their music influenced multiple generations of musicians and memories for those who attended, sang and danced to their original and cover song music. Many of you will recognize their music once you hear it again! Founder Xabier Saldias brings the sound of EGAN in its current format to Gure Euskal Etxea on it's 38th Anniversary.
