NEW BASQUE HBO SERIES

A new HBO series, Patria (Homeland), tackles the taboo over Basque ETA separatists. Patria tells the story of two families divided by the violent conflict of the separatist terrorism of ETA over the Basque Country. After 3 decades of murder, terrorism, political fanaticism, will the community be able to forgive? HBO's "Patria" -- is a highly anticipated adaptation of a novel of the same name by Basque writer Fernando Aramburu and premieres in the U.S. on September 30th for subscribers of the HBOmax (<https://www.hbomax.com>).

ASTERO (Basque for "weekly") is N.A.B.O.'s free Basque news & information service that is brought to you via email notification. Subscribe by visiting www.NABASQUE.eus and click on News, Astero, Subscribe to Astero. On Egin!
