We ask that you please follow our COVID-19 Protocol:

1. Participants must RSVP in advance by party: absolutely no walk ups will be accepted. These group reservations will allow us to properly assign seating and are necessary for contact tracing.
2. Temperatures will be taken upon arrival to the BCC. Those with high temperatures will be turned away.
3. Masks must be worn at all times, unless you are eating or drinking at your table.
4. Social distancing while standing is allowed as long as you are wearing a mask. This applies both indoor and outdoor.
5. There will be no eating or drinking allowed while standing. All eating and drinking must occur at your table.
6. Tables will be assigned by groups and will be 6 feet apart.
7. There will be no socializing from one table to the other.
8. If you have any cold, flu, or COVID-19 symptoms, please stay home.
9. If you test positive for COVID-19 within 14 days of having been to the Basque Cultural Center, please let us know so we can help with contact tracing.
10. If you feel that you cannot adhere to these guidelines, please do not attend the event. These guidelines are in place to keep you and those around you as safe as possible.
11. Vaccinated individuals must also abide by all COVID-19 protocol.
